**2018 TRAVEL WEEKLY MAGELLAN AWARDS WINNERS ANNOUNCED
GOLD AND SILVER WINNERS NAMED**

Secaucus, NJ (September 5, 2018) – Travel Weekly announced the winners of the 2018 Magellan Awards. With entries from across the U.S. and around the world, the Magellan Award winners represent the best in the travel industry and salute the outstanding travel professionals behind it all.

The Magellan Awards honor outstanding design, marketing and services in a broad range of industry segments including Hospitality, Travel Destinations, Cruise Lines, Online Travel Services, Airlines and Airports, Travel Agents and Agencies, Tour Operators and Ground Transportation.

“Magellan winners are those in the industry who communicate travel’s promise, through words, images and design, in ways that ring true and stand out,” said Arnie Weissmann, editor in chief of Travel Weekly. “They create the environments and craft the messages that spark travelers’ imaginations.”

The Magellan Awards are judged and overseen by a one-of-a-kind panel of top travel professionals representing the best names and most accomplished leaders from the industry. In determining winners, entries do not compete with one another, instead they are judged against a standard of excellence based on the long experience of *Travel Weekly*. To uphold this high standard of excellence, a category may have multiple winners, or may have no winners at all.
